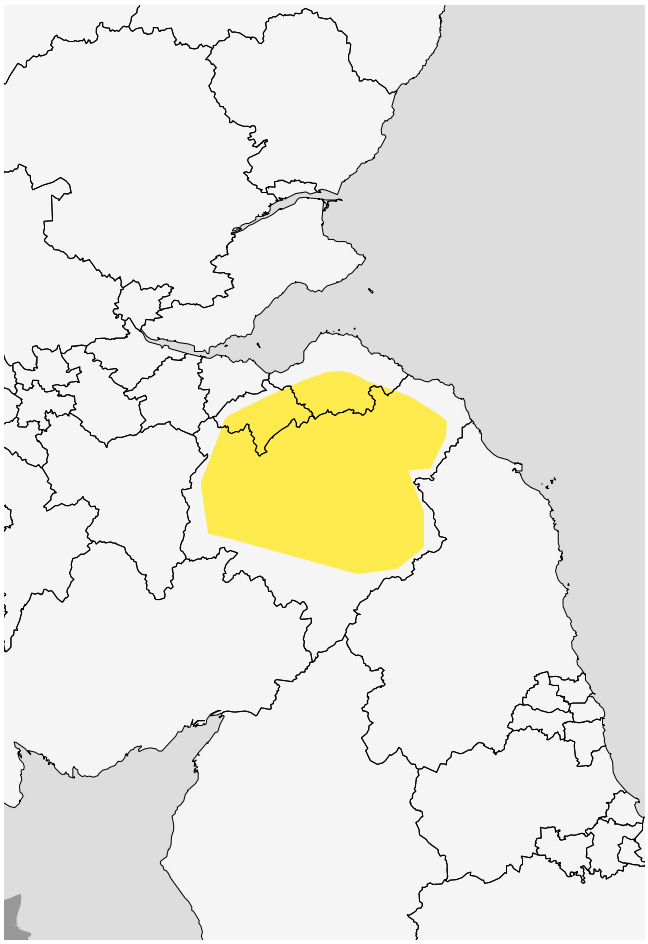
Yellow warning
Snow

Between
15:17 Sat 4 Dec 2021 and
23:45 Sat 4 Dec 2021



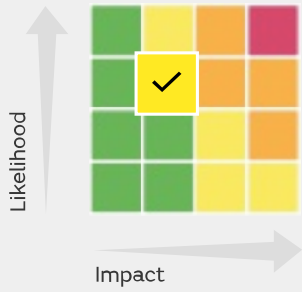
Snow for a time this evening leading to tricky travel conditions, especially over hills.

What to expect

- Some roads and railways likely to be affected, leading to longer journey times by road, bus and train services.
- Some icy conditions may develop following clearance of the sleet and snow, increasing the risk of accidents and injuries.

Further details

An area of sleet and snow has developed near Edinburgh and will edge southeastwards this evening, probably tending to ease. However it could produce 4-8 cm of snow on the highest level roads, and a slushy cover of 1-2 cm at low levels.



✓ Medium likelihood of low impacts
